## PURPOSE OF THE VET STUDENT HANDBOOK

This handbook has been written to provide VET students with important information about the VET programs offered by St Peter Claver College, as well as information about your rights and responsibilities as a VET student.

This handbook provides you with the information you will need during your Vocational Education and Training course of study. Please make sure you have ongoing access to this manual as you will need to refer to it throughout your course. Each VET department will issue individual learning and assessment plans informing you of the requirements of each VET subject. You will be asked to acknowledge on the VET Student Induction Checklist that that you have read and understood this handbook, so please take the time to read it carefully. Should you have any problems or queries, please contact your VET teacher or the Head of Vocational Education & Training and Careers.

This handbook is available electronically via email. Please see your VET Teacher if you require a hard copy.

## VET STUDENT INDUCTION PROCEDURES

Each subject area is responsible for student induction.

At the beginning of the year, all VET students will receive an induction in the form of direct instruction and electronic access to a copy of this handbook. VET teachers will also ensure that students are informed about assessment and the specific competencies covered. During this induction, students will be reminded about College Work Health and Safety procedures.

The college will provide student information and induction to each student before enrolment on Student Data Capture System (SDCS)/Student Management Application (SMA) for a course. This will include:

- The Australian quality framework (AQF).
- Unique student identifier (USI).
- Student selection and enrolment procedures.
- Course information.
- Fees and charges.
- Language, literacy and numeracy assistance.
- Student support, welfare and guidance services.

VET Teachers will ensure that all students complete and sign the VET Student Induction Checklist (refer Appendix 1).

## THE AUSTRALIAN QUALIFICATIONS FRAMEWORK (AQF)

In Australia we have a national qualifications framework called the Australian Qualification Framework (AQF). This framework governs the different types of qualifications that all Australian students can attain.

There are 12 different types of qualifications students can obtain and are shown below.

AQF Qualifications by Education Sector		
Senior Schools Sector	Vocational Education and Training Sector (e.g. TAFE, Private RTOs)	Higher Education Sector (e.g. Universities)
		Doctoral Degree
		Masters Degree
		Graduate Diploma
		Graduate Certificate
		Bachelor Degree
	Advanced Diploma	Advanced Diploma
	Diploma	Diploma
	Certificate IV	
Certificate III	Certificate III	
Certificate II	Certificate II	
Certificate I	Certificate I	
Senior Secondary Certificate of Education (QCE)		

All VET programs at St Peter Claver College form part of this national framework and can lead to nationally recognised qualifications. If you complete all of the requirements of the VET qualification you are enrolled in, you will receive a nationally recognised certificate; or statement of attainment for those modules that you do successfully complete.

## UNIQUE STUDENT IDENTIFIER (USI)

Student Identifiers Act 2014 – This new initiative was implemented on the 1<sup>st</sup> January 2015. A Unique Student Identifier (USI) is a reference number made up on numbers and letters that gives students access to their USI account. A USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including all completed training units and qualifications. Further information of the USI can be obtained at [www.usi.gov.au](http://www.usi.gov.au).

The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students' VET records are not lost. The USI is available at no cost to the student. This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from 1<sup>st</sup> January 2015. Further information on the USI can be obtained at [www.usi.gov.au](http://www.usi.gov.au).

During the Year 10 SET Planning meetings, students and parents will complete a USI Permission Form and supply identification to the College to enable them to create, retrieve or verify a USI number on behalf of students selecting VET subjects in Years 11 and 12. If students enrol at different times, they will be asked to complete and sign a copy of the form. The students will be advised of their USI number by the USI Registry Office. The USI number is created, retrieved or verified by the Middle Years Curriculum Secretary using the eMinerva system.

## STUDENT SELECTION AND ENROLMENT PROCEDURES

St Peter Claver College is inclusive of all students regardless of sex, race, impairment, or any other factor. Enrolment at St Peter Claver College is processed through the main office.

All students will receive information about VET courses available in the College in Term 3 of Year 9 and Year 10. Subject Selection forms are part of the SET Plan procedure in Year 10 and are processed by the Student Administration Office.

## FEES AND CHARGES

The college will issue refunds as per school policy.

Where the college enters into a partnership agreement with another RTO, the fees must be paid prior to the commencement of the course.

Students who enrol past the commencement of the school year will be charged student fees at a pro-rata rate for the duration of the School year. Students who leave school before the end of their school year will be entitled to a pro-rata refund based on the amount received and the period of the school year for which they were enrolled.

**The College must have certain teachers and equipment to run VET courses. If the College loses access to these resources, the College will provide students with alternative opportunities to complete the course and the related qualification. The College retains the right to cancel the course if it is unable to meet requirements.**

## LANGUAGE, LITERACY AND NUMERACY ASSISTANCE

Language, literacy and numeracy assistance can be obtained from the course teacher. Where additional assistance is required this can be requested from the Inclusive Education Program/Learning Support area via the course teacher.

## STUDENT SUPPORT, WELFARE AND GUIDANCE SERVICES

Students have access to vocational, educational and personal counselling through the student welfare team.

The key personnel are:

- Assistant Principal Curriculum.
- Assistant Principal Student Welfare.
- Head of Vocational Education & Training and Careers.
- Guidance Counsellors.
- Indigenous Support Workers.
- Learning Support Teachers.

Appointments can be arranged through the Student Administration Office or directly with some personnel.

## FLEXIBLE LEARNING AND ASSESSMENT

Learning and assessment materials are developed to accommodate class sizes, student needs, delivery methods and assessment requirements.

### Training and Assessment Strategies Policy

Training and assessment strategies will be developed for each qualification that is delivered and assessed. These strategies will be developed in consultation with industry and will be validated through the internal review procedures. These strategies will reflect the requirements of the relevant Training Package.

These strategies will identify target groups.

The college has access to the staff, facilities, equipment, training and assessment materials required to provide the training and/or assessment services within its scope of registration and scale of operations, to accommodate client numbers, client needs, delivery methods and assessment requirements.

Each teacher will maintain a student profile for each student and on completion of the program of study; an exit level will be awarded, based on the principles of assessment.

Elements of competency will be assessed and recorded once the teacher is satisfied that a student has demonstrated consistent competency in an element or unit of competency. Students may also receive assessment if they apply for and meet the requirements for, Recognition of Prior Learning (RPL). A master record detailing students' achievements of the units of competency is maintained at the school on the Senior Data Capture System. This will record all elements and units of competency achieved. This will be held by the school and a certificate or statement of attainment will be issued to the student once they complete the program of study or within 30 days of exit.

### Competency Based Assessment

Competencies and modules studied at the college are part of accredited courses and National Training Packages. In order to be successful in gaining competency, students must demonstrate they have the necessary underpinning knowledge and can apply this in a practical way in a workplace setting to industry standard over a range of different contexts.

In most subjects assessment tasks are completed a number of times throughout the year. Results for each assessment item will be marked on a subject **profile sheet**. This assists students to become competent as their skills improve.

Assessment of competencies will be graded as either WTC for Working Towards Competency, C for Competent or NYC for Not Yet Competent.

What does it mean to be competent? People are considered to be competent when they are able to apply their knowledge and skills to complete work activities successfully in a range of situations and environments, in accordance with the standard of performance expected in the work place.

This means that when a student demonstrates a competency they will not just demonstrate they can do a task on their own, but must be able to demonstrate they can do it in a range of different circumstances, as outlined above.

## Resources

The college has access to all relevant physical resources as outlined in the relevant Training Package or course. Staff are provided with the resources necessary to meet the human resource requirements of the relevant Training Package or course.

If, for whatever reason, the college cannot maintain the relevant resources to deliver the Training Package or course, the college will attempt to provide students with alternative opportunities to complete the course and the related qualification. The college retains the right to cancel the course if it is unable to meet requirements.

## DISCIPLINARY PROCEDURES

The same practices and protocols relevant for all students at St Peter Claver College apply for the behaviour and work ethic of students involved in VET courses.

The policies are outlined in the Student Planner which is supplied to all students. The Code of Behaviour is also published in the Student Planner.

Appeal or mediation is available to students via teachers, the Guidance Officers, Heads of Departments, APA Student Welfare or the Deputy Principal.

## ACCESS AND EQUITY

St Peter Claver College is committed to providing equal opportunity and promoting inclusive practices and processes and integrating the principles of access and equity in its policies and procedures.

The Access and Equity policy states how St Peter Claver College will provide inclusive education services and a learning environment that is free from discrimination, harassment and victimisation.

This policy relates to the provision of all education and support services by St Peter Claver College to students. In addition, all staff and contractors employed or engaged by St Peter Claver College are obliged to comply with this policy.

## RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of prior learning (RPL) is the process used to assess individuals' existing level of knowledge and skills against individual or multiple units of competencies. Students are provided with the College's RPL policy prior to enrolment in SDGS/SMA. They are made aware of the RPL application form. As part of their student induction, the process and types of evidence that can be used to support RPL applications is provided to them.

RPL applications will only be considered if the College's RPL application form is used. RPL applications must be submitted to the teacher of the qualification in the first instance.

### RPL Procedure

Students with an application for RPL have access to the following procedures:

- The St Peter Claver College RPL application form must be used.
- All applications for RPL go to the teacher of the qualification in the first instance. Students will need to provide sufficient documented evidence to support their claim for recognition to their teacher e.g. resume, certificates, photos, references from supervisors, performance reviews or job descriptions.
- The RPL and its outcome will be recorded in writing in the RPL register. Trainers and assessors/teachers dealing with the RPL application will provide feedback throughout the process to the student.
- The teacher responsible for the delivery of the qualification will review the evidence provided by the student and give a written and verbal response (within 10 days of receipt of the evidence) to the student regarding whether the evidence is suitable for RPL.
- The teacher handling the RPL application will develop and assess any alternative methods of assessment required as a result of an RPL application. The student may be asked to complete practical demonstrations of their skills to support their application for RPL. Assessment methods should be fair and flexible and reflective of assessment tasks delivered as part of the training and assessment strategy.
- The teacher will update the student records if RPL is granted, following consultation with the Head of Vocational Education & Training and Careers.
- The student will be made aware of any gaps in training as a result of the review of their application evidence.
- The student will be also made aware of the appeals procedure if they are not satisfied with the decision on their RPL application.

- The St Peter Claver College RPL appeal form must be used.
- All RPL appeal applications are go to the Head of Vocational Education & Training and Careers.
- The Coordinator will request from the VET teacher the original RPL application, including the documented evidence that supported the student's initial claim.
- The RPL appeal and its outcome will be recorded in writing in the RPL register. The Head of Vocational Education & Training and Careers will provide feedback throughout the appeal process to the student.
- The Head of Vocational Education & Training and Careers will make arrangements for the student's application to be re-assessed for RPL by another subject matter expert (VET Trainer and Assessor/Teacher) NOT involved in the original assessment.
- The appeal review will be conducted within 15 days of receipt of the RPL appeal form.
- The Head of Vocational Education & Training and Careers will forward the original RPL application and the findings of the re-assessment to the Principal to make the final decision.
- The outcome of the RPL appeal will be made available to the student.

St Peter Claver College recognises AQF qualifications and statements of attainment issued by any other RTO and has a separate policy and procedure regarding the credit transfer process for this, as outlined in the Recognition of Qualifications Issued by Other RTOs Policy.

## CREDIT TRANSFER

The college will recognise all AQF qualifications issued by any other RTO. The college will seek verification of the certification from the relevant RTO where there is some ambiguity.

### Procedure

- In the first VET class of the year, the teacher shall make students aware that any existing AQF qualifications or statements of attainment they possess will be recognised by the College. Teachers will remind students of this policy at the beginning of each new term.
- If a student presents an AQF qualification or statement to the teacher, the teacher will take a copy and bring it to the attention of the Head of Vocational Education & Training and Careers.
- The Head of Vocational Education & Training and Careers, if required, will verify the authenticity of the qualification or statement.
- The verified copy of the qualification or statement will be forwarded to the Data Secretary to enter credit transfer into SDCS/SMA and then placed in the student's file.
- The teacher will advise the student of the credit for the units of competency or modules identified in the qualification or statement and update the student's records accordingly.
