- All prices (except Casual Trips) are **Family Rates**. Please note that the youngest child is the determining factor of pricing.
- If you hold a Health Care Card, Pensioner or a Veteran Card, please contact the College for application of Bus Pass Concession pricing. Please note that this is only valid for current card holders where adequate proof has been provided. Proof of valid concession card **must** be provided each term.
- For your information, the NSSTAS Reference Committee sets the weekly family threshold, and they have **mandated** that this threshold is to be a minimum \$35 per week (and minimum \$25 per week for concession card holders).
- **ALL** Bus Pass expenses and payments will now appear on the family statement.
