

ENROLMENT POLICY

Review – 18 July 2025

POLICY

St Peter Claver College gives priority to enrolling students who are baptised Catholics, but it may also enrol students from other faith traditions whose families demonstrate that they share in the expressed values of the College. In this way the College affirms and embraces Church teachings regarding respect for the faith journey of individuals within the religious dimension of College life. The process of enrolment is to be guided by principles of justice and equity that support the College's Catholic ethos and vision and is reflective of Brisbane Catholic Education requirements.

VISION

St Peter Claver College, Riverview is collaboratively engaged with the Catholic community, charitable organisations and individuals in the educational ministry of the Church in the Archdiocese of Brisbane and is called to:

Teach

We promote faith in Jesus Christ, teaching and learning about Jesus, the Gospel and the faith of the Catholic Christian community. Learning is lifelong, life-giving and engages the whole person.

Challenge

Inspired by the Holy Spirit, we challenge those we educate to live in communion with God, others and the whole of creation in prayerful, sacramental, just, peaceful, inclusive and reconciling communities.

Transform

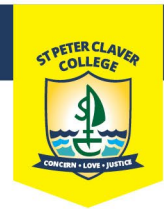

We educate for a transformed world in communion, by nurturing the gifts and potential of each person, enacting shared leadership, and exercising a preferential option for the poor and marginalised.

St Peter Claver College policies reflect its founding charisms and are based on the values of Concern, Love and Justice.

PURPOSE

- The College's enrolment policy is based on The Catholic Education Council Enrolment of Students in Catholic Schools Policy Statement (June 2004) and subsequent refinements to this policy as part of an ongoing commitment to review and renewal.
- The College will take into consideration the impact on the religious ethos, school operations and Catholic identity at a whole school level and by year levels, of the numbers of students who are not baptised Catholics.

- For students entering Year 7, enrolment will be based on written applications using the priorities below. In instances of identified learning needs or behavioural/social issues an interview may be required.
- Students enrolling in Year 8 and above will need to attend an interview prior to be accepted to the College.
- The enrolment interview (where required and/or invited) is important in establishing with parent/caregivers the expectations upon students and families of participating in the life of the Catholic school community.
- It is expected that students take part as fully as possible in the religious education program at the College including prayer, worship and social justice and service programs.
- The College recognises the role of parents as the primary educators of their children. We share with Church leaders and parents/caregivers the responsibility to nurture the development of each student.
